LONG BRONX CEDARHURST.

First Day With the Steeplechasers.

A Dead Heat Between Jim Murphy and Lights of London.

(SPECIAL TO THE WORLD.)

CEDARHURST, May 19.—The spring meeting of the Horseway Steeplechase Association opened here this afternoon before about 1,000 persons. The sky was cloudy at the onset of the races, but as it did not rain the spectators did not complain. On the contrary they were enthusiastic, and showed an eager interest in all the events on the programme. Many ladies were in attendance and viewed the racing from a veranda on the attractive building which furnishes headquarters for the spectators. The grand stands also were a good sprinkling of the fair sex. The buildings on the grounds were nicely decked with the red flags of the association and streamers.

First Race.—Inaugural sweepstakes, at \$25 each, 100 yards, 1:30. The field consisted of the following: Lights of London, 157; (Pelham) 1; Jim Murphy, 158; (Kew) 2; Wiggins, 164; (Ward) 3; Bopwood, 165; (Wash) 4; Castleside, 166; (H. H. H. H.) 5; Anselma, 167; (H. J. Morris) 6; Bopwood, 168; (Geo. Work) 7; Bopwood, 169; (Kroon) 8.

Races at Louisville.
LOUISVILLE, May 19.—A fine, clear day, but cool brought out a large attendance at the race-track today. The day was fine, but it was a very heavy frost owing to the rains during the week.

LONG BRONX BROOKLYN.

Good Racing on a Heavy Track.

Inverness, Filly, Eurus, French Park, Favor, Taviston and Young Duke Win.

(SPECIAL TO THE WORLD.)

GRAVESEND TRACK, May 19.—Expression of regret that they had not backed Ben Cioche and Joe Loon Bay's races were mingled in the dimensions of the favorite chances for the Bedford Stakes and Parkway Handicap among the visitors to the Brooklyn Jockey Club races to-day. Something like fifty sharp sports explained how they came within a hair's breadth of taking a mutual ticket on Ben Cioche, "just for a dyer, you know."
